The more than 200 people who came out to “savor the evening” at Family Service’s annual fundraiser were treated to a beautiful one overlooking the city at Drees Pavilion in Devou Park, Covington.

The event, featuring a roaming supper, silent auction and raffle of a three-year lease of a Camry donated by Toyota, raised more than \$100,000 to fund two of Family Service’s programs that help at-risk children: Friends of the Children and the School Success Program.
