Local show wins award from Northern Kentucky Mental Health Association

The Feeling Better Cable Show presented with Baron Award

Cincinnati, OH—Oct. 21, 2005—The Northern Kentucky Mental Health Association presented *The Feeling Better Cable Show* with the Baron Award for exemplary service to improve the delivery of Mental Health and Substance Abuse Services.

The annual award was created by the Northern Kentucky Mental Health Association to honor its founder Dr. Charles Baron and his wife, Charlotte

Feeling Better airs on the local cable access network and is produced by the Mental Health and Substance Abuse Awareness Committee to provide information, online assessments and facts concerning mental illness, substance abuse and mental wellness. The show's online component is www.guidetofeelingbetter.org. Dr. Chris Tuell, Eastgate center director at Family Service, has hosted the show since its inception three years ago. Family Service is a member of the committee.

Other members are St. Luke Hospital, NorthKey Community Care, Catholic Social Services, Recovery Network, Mental Health Association of Cincinnati Area and the Mental Health Association of Northern Kentucky.

About Family Service

Family Service is a comprehensive social service agency which serves approximately 34,000 people each year in Ohio and Kentucky through mental health counseling; school-based services; sexual abuse, substance abuse and domestic violence treatment; parent and life skills education; services for refugees and immigrants; the Retired Senior Volunteer Program; and *Friends of the Children*, a long-term support and guidance program for children at risk. For more information about Family Service, please visit www.servingfamilies.org.
