

# Family Service is almost there.

We've reached 80 percent of our goal to renovate and furnish our Price Hill Center and make it our new regional headquarters.

3736-3740 Glenway Avenue

## Here's what we plan to do:

- Create a **warm, welcoming space** where low-income parents learn to break the cycle of poverty and neglect by giving their **children a future of hope** through parenting classes and children's activities.
- Relocate our administrative offices to generate annual savings in order to **meet the ever growing need of delivering services** while resources are shrinking.
- Upgrade technology and furnishings to increase efficiency and allow therapists additional **time and space to see more clients.**

## Please help us close the gap.

Your donation will help us reach more children and adults so they become proud, self-sufficient, contributing members of their families and their communities.
